

An abstract painting by Joep Albertz. The composition is dominated by vibrant, saturated colors: a large, bright red area on the left, a yellow area in the center, and a blue area on the right. The colors are layered and textured, with visible brushstrokes and watercolor-like washes. In the center-left, there is a cluster of dark, irregular shapes that resemble the center of a flower or a group of seeds. The overall effect is one of dynamic energy and bold color use.
